

# *Feast of* **Tabernacles** 2026

## **Glacier Country, Montana**

Come and celebrate the Feast in beautiful northwest Montana! This region is world-renowned for its mountains, rivers and wilderness areas—especially Glacier National Park, the Bob Marshall Wilderness and Flathead Lake. In addition to the grand landscapes, the small towns abound with restaurants and shopping.

The Feast is held at the Glacier Bible Camp, which is only 10 miles from the west entrance to Glacier National Park. It is a wonderful location for exploring Glacier National Park without a long drive to get there. This allows for more excursions to such locations as Pole Bridge and Bowman Lake, East Glacier, Saint Mary Lake, Many Glaciers and Lake Sherburne. Many look forward to traversing the famous “Going To The Sun” highway to Logan Pass. We encourage everyone to pray for good weather so that the most can be had from this gorgeous location. In addition to a “Glacier Day,” when we will have early services, we will also have a Family Day, a senior luncheon, and a ladies’ luncheon.

## Housing

### *Off-site Housing Options*

As the top tourist destination in Montana, there are many offsite housing options: motels, cabins, campgrounds, resorts, bed and breakfasts and vacation homes through Airbnb, Vrbo, etc. Members are free to find whatever housing best suits their needs. Distances to nearby towns:

- 7 miles to Columbia Falls
- 16 miles to Whitefish
- 24 miles to Kalispell
- 29 miles to Bigfork

All off-site guests age 5 and above are charged a \$2.75 per day camp use fee.

### *On-site Housing Options (including all-inclusive)*

Glacier Bible Camp provides many housing options, from tent camping spaces to motel-style rooms. When combined with an onsite meal plan, Glacier Country feastgoers staying onsite can have a very reasonably priced all-inclusive Feast. For example, the camp has 48 family rooms that are like "camping indoors"—one room will accommodate a family of 6. This is similar to "tent camping" but without the tent and having to go outside to walk to the washroom or bathrooms. They have a queen bed and two sets of bunks for the kids. (Bring your own bedding or sleeping bags) There is a men's and women's washroom on each floor. These rooms are only \$48/night (\$432 for 9 nights). Having all meals at the camp dining room would be approximately \$200 per person 11 and older. Children 5-10 are half price, 0-4 are free. So, a family of two adults and two teens (or two adults with 4 kids 10 and under) could "indoor camp" and have an all-inclusive Feast for approximately \$1,250. Prices would be lower for someone staying in a rustic bunkhouse cabin. For more details, please visit [FeastOfTabernaclesMontana.com](http://FeastOfTabernaclesMontana.com).

Note: All individuals coming to the Glacier Country Feast Site that desire accommodations at (or to eat meals at) Glacier Bible Camp will need to register for meals and housing at [FeastOfTabernaclesMontana.com](http://FeastOfTabernaclesMontana.com).
